

# ADS 20/30EX,

ATEX certified pressure screens for Ex Environment and areas

## Product information :

ADS EX pressure screens are specially designed to meet demanding industrial, hazardous Ex production environment and Ex area requirements.

Double acting pneumatic actuator operates screen doctor blades bi-directionally instead of motor ensuring efficient and reliable screening result.

Ex area compatibility and ATEX certificate is now available for all pressure screen sizes

ADS Ex pressure screens are also available with ATEX classified motors by request
